Weather Warning

A 'Be Aware' weather warning has been issued by the Met Office for high winds and heavy rain for Sunday 28 February.

We have considered the situation carefully, based on the information we have at present and have decided to continue with the event.

However, please be aware, it remains a possibility that we may still have to stop the event if conditions, particularly the wind, become untenable during the day.

All competitors take part at their own risk and are responsible for their own safety
