

Hi,

Welcome to the 2008/2009 Hertfordshire Schools' Orienteering League.

As in previous years the league will over the winter, based on the Saturday Series that HH run. The scoring events are those in October, November, December, January and March. The rules are unchanged from last year and can be found on the HH website

I have a couple of requests to help us run the league. If you are bringing a large group to an event then it would be helpful if you could pre-register the competitors so that they can be pre-entered in the database and dibbers allocated. This will speed up registration on the day as those pre-entered will not need to register. The list provided need only be provisional as it will be possible to make changes on the day. Please contact the event organiser (whose details will be on the web) to do this. Secondly, we would like to encourage Schools and Groups that come to the league regularly to take Group membership of the club, which I know quite a few of you have done in the past. Your membership is of great benefit to the club when we are applying for grants / recognition from outside agencies

All of the events are on Saturday mornings with starts from 10:00 to 11:30. The provisional list of events is :

October 4th	Rothamsted Park, Harpenden
November 1st	Verulamium Park, St Albans
December 6th	Phasels Wood, Hemel Hempstead
January 31st	Croxley Moor, Watford
March	TBA

Full permissions for October and November are yet to be confirmed, so please check the website. The march event may be displaced from the 1st Saturday due to the National event that HH is organising. The event details for every event will be on the HH website www.happyherts.org.uk around 4 weeks before the event.

Results will be posted on the web around 2 weeks after an event, however provisional results will be sent out by email slightly before this.

Lets hope for a good season. Any further questions please email me, Jacob.Sharpe@fsmail.net, though please do not expect as quick response as I am on holiday until the end of September..

Jacob Sharpe
Hertfordshire Orienteering Schools' League Organiser
